**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer and competition is imperative. We need to have small companies like Socket that improve customer service and improve our communities. Eliminating competition prevents innovation and large corporate companies have destroyed too many communities due to their lack of care for individuals.
